City of Lakes and Parks

Victoria is known as the City of Lakes and Parks because it has over 200 acres of reserved land, 18 parks, multiple trails and 9 lakes with in its borders as well as the 1800 acre Carver Park Reserve. The Parks and Recreation Department envisions the City as a place where parks, recreation and environmental conservation efforts enhance the quality of life. The City of Victoria will continue to develop new parks and maintain open spaces to illustrate their commitment to the beauty and value of parkland in this fast-growing community.

Park Gifts

Commemorate the life of a loved one, while making an investment in the beautification of our local parks and trails.

Memorials

Honor a relative or friend by sponsoring a permanent fixture in one of our parks.

Special Events

Memorialize an anniversary, birthday, retirement or other special occasion with a personalized, permanent plaque.

Your gift is tax deductible
